INTERNAL AUDITOR

The unit

'Audit Asia' is a shared services unit of four CGIAR centers - Center for International Forestry Research (CIFOR), Bogor, Indonesia; International Rice Research Institute (IRRI), Los Banos, Philippines; International Water Management Institute (IWMI), Colombo, Sri Lanka; and WorldFish, Penang, Malaysia. The main aim of the unit is to provide independent, objective assurance and consulting activities designed to add value and improve operations of CGIAR centers. Audit Asia is situated at the headquarters of IWMI in Pelawatte, Battaramulla (a suburb of Colombo), Sri Lanka.

The person

IWMI is looking for a self-motivated and resourceful Internal Auditor to work for the Audit Asia unit. Candidates should have a strong ability to identify key audit issues, and present sensitive and difficult audit findings and recommendations to the management. The person will be based at IWMI's headquarters in Sri Lanka or at the Institute's regional office in New Delhi, India, depending on their nationality, and will work under the supervision of the Director – Internal Audit.

Responsibilities

The position holder will be responsible for examining and evaluating the adequacy, effectiveness and efficiency of CGIAR centers' internal control systems and procedures, and recommending corrective actions to improve operations, enhance internal controls and reduce costs where possible; and for managing the activities of assigned audit projects to ensure they are completed in line with the audit standards of the Institute of Internal Auditors (IIA) and according to the timetables established in the audit terms of reference (ToR).

Qualifications and experience

Candidates with a university degree in business administration, finance, accounting or information systems or a university degree and Qualified Chartered Accountant (CA) or Certified Practicing/Public Accountant (CPA) or equivalent; at least 5 years of postgraduate professional experience; experience in using audit tools such as TeamMate, MK Insight, Audit Command Language (ACL), Interactive Data Extraction and Analysis (IDEA), etc.; and experience in conducting audits for a nongovernmental organization (NGO), internationally recognized professional accounting firm or international financial institution are encouraged to apply.

To apply, visit www.iwmi.org/jobs. Your application must include a copy of your curriculum vitae, cover letter which addresses IWMI's requirements stated above, and contact information of three professional referees who may be contacted if you are short-listed for the position. Applications must be submitted by 24:00 hours (Indian Standard Time) on August 16, 2017.

This is a nationally recruited position. Only Sri Lankan and Indian nationals will be considered for this position. The duration of the contract will initially be for a two-year period.
