

Water-Climate-Development: The Sustainability Triad

Bridging the Water and Climate Change Agendas (GWP and GPPN)

Halfdan Rasmussen Room, Wednesday, December 9 at 1800

A side event that addresses the role that water plays in relation to climate change, including how adaptation can support country-driven development. The GWP-GPPN side event has been chosen by UNFCCC for live webcasting. Participation by GWP Executive Secretary Dr. Ania Grobicki, Vice-Chair of GWP-Bangladesh Dr. Ainun Nishat, and GWP Special Advisor Mike Muller.

Closing the Gap Between Adaptation and Development (CPWC)

Holland Climate House, Thursday, December 10 at 1000 and 1430

How do we monitor development assistance and adaptation funds, and close the gap between global assessments and regional and national realities? GWP Special Advisor Mike Muller is a panelist.

Climate Proofing: The Synergy Between IWRM and SEA

(GWP, World Bank and the Netherlands Commission for Environmental Assessment)

Holland Climate House, Thursday, December 10 at 1200

GWP Executive Secretary Dr. Ania Grobicki speaks on IWRM in the context of climate proofing, and its potential synergies with Strategic Environmental Assessment (SEA).

Mountains, Water and Adaptation – Living with Too Much and Too Little Water (ICMOD) *Konserthuset, DR Byen (Emil Holms Kanal 20) on Friday, December 11 at 1330*

How do policies influence or determine the ability of people to adapt to too much and/or too little water? How can spontaneous adaptation be supported for planned adaptation?

GWP Technical Committee Chair Dr. Mohamed Ait Kadi is a panelist.

Copenhagen Business Day – Leading Action (WBCSD)

Confederation of Danish Industry Headquarters on Friday, December 11 at 1930

GWP South Asia Chair Suresh Prabhu is a keynote speaker at this dinner.

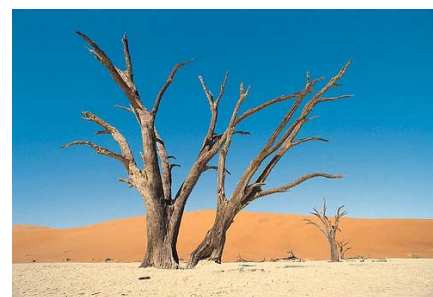

Climate Change and Water Vulnerability, Intergovernmental Panel on Climate Change (IPCC)

Kronberg Castle on Saturday, December 12 at 1430

GWP Executive Secretary Dr. Ania Grobicki is a participant in this event which will look at the strategies and practices for energy water management and governance challenges.

Role of Water in Climate Change (European Commission DG Environment) *EU Pavilion, Schuman Room, Wednesday, December 16 at 1300*

A presentation on IWRM and the sanitation challenges by GWP Executive Secretary Dr. Ania Grobicki.

A Water Secure World – The Global Water partnership is an intergovernmental organisation of 13 regional Water Partnerships, 73 Country Water Partnerships and more than 2,000 Partner organisations in 150 countries. The GWP network is committed to build a water secure world. Please visit the GWP booth to collect information and to learn more about our global network. www.gwpforum.org
