

GWP - IWC Masters Scholarships

Master of Integrated Water Management (Australia)

The International WaterCentre (IWC), in collaboration with the Global Water Partnership (GWP), is currently offering two full scholarships (including tuition fees and living expenses) for two high achieving female candidates who wish to pursue the IWC Master of Integrated Water Management commencing in Semester 1, 2015.

Scholarships aim

In line with the GWP's gender strategy, these scholarships aim to build the leadership capacity of women in Integrated Water Resource Management (IWRM) and through doing so, to improve the implementation of IWRM in the home nation of the scholars.

IWC Master of Integrated Water Management

The International WaterCentre's Master of Integrated Water Management program is custom-designed and collaboratively delivered by leading industry practitioners and lecturers from IWC's founding member universities. Students enrol at The University of Queensland (UQ) in Brisbane, Australia.
