

GWP South America

- 1- GWP South America has launched a Photo contest “Water, energy and Food security” and will notify the winning photograph at World Water Day, as well as share the 10 best photos this day. More information (Spanish): <http://www.gwp.org/GWP-Sud-America/EN-ACCION/Eventos/Concurso-fotografico-Agua-energia-y-seguridad-alimentaria/>
- 2- GWP Venezuela will hold the Forum “A coffee for water and food security”, in which experts from different sectors will present on topics, such as the state of water resources in Venezuela and water and food security. Preliminar agenda available in Spanish: http://www.gwp.org/Global/GWP-SAm_Files/en-portada/Programa-preliminar-ForoVen.pdf
GWP Venezuela will also carry out a “Twwitterton”, this is, sending frequent messages to its followers aiming at raising awareness of the relevance of water to achieve food security, among other themes.
- 3- GWP Peru, together with SENAMHI (National Service of Meteorology and Hydrology) and UNESCO/IHP will hold the IV Festival “Water Resources and Food Security” and sponsor the V Forum “Water and Food Security” and a Water Conference, both organized by SENAMHI. More information on these activities (Spanish): <http://www.gwp.org/es/GWP-Sud-America/EN-ACCION/Eventos/>
