Description of the Assignment

GWP-Med is announcing the present Call for Offers for the Rehabilitation and Maintenance of the Underground Reservoir at Auberge de Angleterre, Birgu, Malta, in the framework of the “Alter Aqua – Phase IV” project.

Since 2008, GWP-Med has implemented several successful projects with the support of The Coca-Cola Foundation and the Coca-Cola system and a total of 124 interventions of various scales in Greece, Malta, Cyprus and Italy.

Building on global and Mediterranean best practices and responding to national political priorities and local operational plans, the proposed “Alter Aqua – Phase IV” Project aims at promoting the use of Non-Conventional

Water Resources, and specifically, rainwater, as a source of water for the secondary uses, contributing to water security and climate change adaptation.

- Creating awareness for users, visitors and citizens, on the value of water as key factor towards sustainability.
- Improve management of water resources through partnerships via increasing capacities, advancing advocacy, dialogue and knowledge sharing, with youth and gender engagement.

For a detailed description of the Assignment, please refer to the respective ToR.
