

**REGIONAL CONSULTATIONS**  
**TEN-YEAR STRATEGY AND FIVE-YEAR ACTION PLAN**  
**AFRICAN NETWORK OF BASIN ORGANIZATIONS**  
**(ANBO)**  
**REGION OF NORTH AFRICA**  
**QUESTIONNAIRE**

The specific objective of the regional consultations is to provide the elements for the formulation of the five-year action plan (2015-2020) in the following strategic areas:

- Area 1: Strengthening the ANBO's institutional capacity, capacity to mobilise resources, technical capacity, and knowledge-sharing capacity;
- Area 2: Strengthening the institutional framework of basin organisations;
- Area 3: Strengthening basin organisations' planning capacity, capacity to mobilise resources, and implementation capacity;
- Area 4: Strengthening the capacity of basin organisations to manage data, information and knowledge.

In order to prepare and organise the workshop which will take place in Tunisia on 11 September 2014, we would be grateful to answer to the questions below:

**I. THE ANBO'S STRATEGY ON THE BASINS WITHOUT INSTITUTIONAL MECHANISMS**

1) In your opinion, what would be the priority actions that ANBO should take to support the countries in the establishment of basin organizations?

2) For each proposed action, could you please indicate the particular action to put in place?

3) Could you please do an assessment of the length of each proposed action and an assessment of the corresponding budget?

4) Could you please indicate what are the principal actors and partnerships to be established in order to put in place each proposed action?

6) What would be principal challenges and opportunities related to the implementation of basin organizations ?

**II. How ANBO can support the capacity building of States to establish the institutions of transboundary cooperation?**

1. Could you please suggest priority actions that ANBO can implement in each strategic area ?

Area 1	Area 2	Area 3	Area 4

2. Could you please suggest a duration for each priority action and provide relevant budget ?

Area 1	Area 2	Area 3	Area 4

3. Could you suggest the main actors who should be associated to the implementation of the actions and their role ?

Area 1	Area 2	Area 3	Area 4

4. How can ANBO support the implementation of integrated water resources management (IWRM) during the process to establish a basin organization?

Area 1	Area 2	Area 3	Area 4
