### **Description of Service**

GWP-Med is announcing the present Call for Offers **Filming and production of Project Results videos for GEF Drin Project (including photography)** in the framework of the GEF supported Project “Enabling transboundary cooperation and integrated water resources management in the extended Drin River Basin” (**GEF Drin Project**).

The objective of the project is to *promote joint management of the shared water resources of the transboundary Drin River Basin, including coordination mechanisms among the various sub-basin joint commissions and committees*. Albania, North Macedonia, Kosovo and Montenegro are the Project beneficiaries.

The GEF Drin Project is structured around five components:

Component 1: Consolidating a common knowledge base

Component 2: Building the foundation for multi-country cooperation

Component 3: Institutional strengthening for Integrated River Basin Management (IRBM)

Component 4: Demonstration of technologies and practices for IWRM and ecosystem management

Component 5: Stakeholder Involvement, Gender Mainstreaming and Communication Strategies

The Project is implemented by the UNDP and executed by the Global Water Partnership (GWP) through GWP-Mediterranean (GWP-Med) in cooperation with the United Nations Economic Commission for Europe (UNECE); GWP-Med is responsible for the realization of the Project. The Drin Core Group is the Steering Committee (SC) of the Project.

### **Award criterion**

The Award criterion is the most economically advantageous offer on the basis of best price / quality ratio. Offers shall be evaluated as follows:

In case of equality of overall scores, the retained offer is the one whose corresponding technical Offer received the highest rating.

### **Evaluation of Technical Offers**

Each evaluation criterion is evaluated autonomously, according to the respective technical offer submitted. The relative scoring of each evaluation criteria is the outcome of its scoring multiplied by its weighting. The overall score of the technical offer is the sum of the relative scoring of all the evaluation criteria.

The overall score of the technical offer is calculated on the basis of the following formula:

$$\text{UTO} = w(i) \times c(i) + w(ii) \times c(ii) + \dots$$

$$\text{where } w(i) + w(ii) + \dots = 100$$

For the overall score which will determine the ranking of offers, technical evaluation will be weighted with 70%.

### **Evaluation of the Financial Offer**

Each financial offer is evaluated on the basis of the following formula:

$$\text{UFO} = 100 \times \text{max amount} / \text{financial offer}$$

For the overall score which will determine the ranking of offers, financial evaluation will be weighted with 30%.

Offers which have been rejected as inadmissible or as not meeting the minimum requirements shall not be evaluated.

### **Identification of the most economically advantageous offer on the basis of best price / quality ratio**

The final listing of the most economically advantageous offers will be made on the basis of the following formula:

$$U = \text{UTO} \times 70\% + \text{UFO} \times 30\%$$

Where U is the total scoring of each offer. The most economically advantageous offer is the one with the greater value of U.

## **Duration of the Contract**

The overall duration of the contract will be maximum 10 months until 31/12/2020

## Contract Price, Deliverables and Schedule of Payment

The amount includes all other costs, income taxes, the 20% Greek tax when non-double taxation is applicable and any other amount payable or cost that may be required for the completion of the work/service apart from travel costs.
