

Water, Climate and Development Programme Young Professional Development Initiative (YPDI)

Pelawatta, Western Province, Sri Lanka - Global Water Partnership South Asia

The Global Water Partnership (GWP) was founded in 1996 as an intergovernmental organisation with a global non-profit action network focusing on water resources management and development. Since its inception, the GWP has built up a network of Regional Water Partnerships (RWPs). GWP South Asia (GWP SAS) (<http://www.gwp.org/en/gwp-SAS/>) is one of the 13 regions of the network.

GWP SAS represents in Bangladesh, Bhutan, India, Nepal, Pakistan and Sri Lanka linked to the global network through the respective CWP, which brought together with the common objective of promoting Integrated Water Resources Management (IWRM) in the region.

Water, Climate and Development Programme (WACDEP) of GWP aims to integrate water security and climate resilience in development planning processes, build climate resilience and support countries to adapt to a new climate regime through increased investments in water security.

Through GWP Young Professional Development Initiative (YPDI), GWP SAS is calling on Young Professionals in fields related to water management and development, who wish to enhance their professional capacity to express their interest in promoting youth and water engagement through the WACDEP country and regional programmes.

The Youth Professional will serve on an internship basis in GWP SAS Regional Office based Colombo, Sri Lanka for a period of six (6) months. During his/her internship, the Young Professional will obtain mentorship, technical support and training from the Regional Coordinator. The intern should be capable of developing knowledge products around WACDEP and CORE programmes, contribute in Regional and Country level fund raising activities and rebuilding youth, gender networks. She/he should also initiate regional and country youth/gender activities.

Your application must include a copy of your curriculum vitae, cover letter which addresses the position's requirements. ***This is a regionally recruited position and only citizens of South Asia - Bangladesh, Bhutan, India, Nepal, Pakistan and Sri Lanka are eligible to apply.***
